Thereafter, a DBM-BAC representative will draw the raffle in an order wherein the first drawn bidder shall be considered as the winning LCRB and awarded the contract. The second drawn bidder shall be the second ranked LCRB, and so on until all LCRBs are drawn and ranked. In case of the failure, refusal or inability of the winning LCRB to submit the documents required under Section

	<p>37.1 of the 2016 Revised IRR of RA No. 9184 or to enter into contract and post the required Performance Security, as provided in Section 40 of the same IRR, the BAC shall disqualify the said LCRB, and shall proceed to award the contract to the second ranked LCRB. This procedure shall be repeated until a Notice to Proceed has been issued.</p>

- d. Please note that item 6.4 of the Government Procurement Policy Board (GPPB) Circular No. 04-2020 dated September 16, 2020 states that, "[t]he PEs shall check **compliance of the submitted forms with the mandatory provisions stated above. Non-submission of the Required Forms or non-inclusion of the mandatory provisions in any of the Required Forms shall be a ground for disqualification.**"

Moreover, GPPB Non-Policy Matter Opinion No. 041-2014 dated October 9, 2014 partially states that **“even contracts that include non-disclosure agreements or confidentiality clauses are required to be disclosed.** It is likewise good to clarify that the requirement refers to a “statement” to be made by the bidder relative to all its ongoing and private contracts, and not the actual submission of the physical contracts.”

- * Date of Acceptance shall mean the date when the items delivered have satisfactorily met the requirements of the procuring entity, as evidenced by either a Certificate of Final Acceptance/Completion from the bidder’s client, or an Official Receipt or a Sales Invoice (to be submitted during post-qualification).
