

## **Environmental Management Bureau**

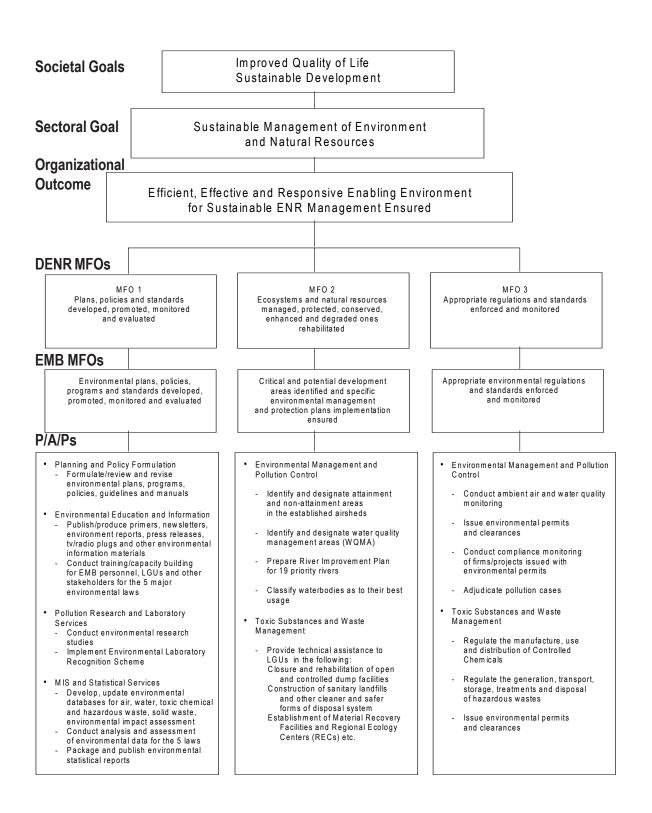

### **Legal Basis**

- Executive Order No. 192 (June 10, 1987) reorganized the Department of Environment, Energy and Natural Resources (DEENR) and renamed it as the Department of Environment and Natural Resources (DENR), with the Environmental Management Bureau (EMB) created as a staff bureau under the DENR, absorbing the powers and functions of the abolished National Environmental Protection Council (NEPC), the National Pollution Control Commission (NPCC), and the Environmental Center of the Philippines (ECP).
- Republic Act No. 8749 (June 23, 1999), otherwise known as the Philippine Clean Air Act of 1999, converted EMB from a staff to a line bureau.

#### **Mandate**

The Environmental Management Bureau (EMB) formulates plans, programs, and appropriate environmental quality standards for the prevention and control of pollution and the protection of the environment, and ensures their implementation. As a line bureau of the DENR, it is mandated to implement five environmental laws, namely, Presidential Decree 1586 (June 11, 1978) - Establishing an Environmental Impact Assessment System; Republic Act No. 6969 (October 26, 1990) - Toxic Substances and Hazardous and Nuclear Waste Control Act of 1990; Republic Act No. 8749 (June 23, 1999) - Philippine Clean Air Act of 1999; Republic Act No. 9003 (January 26, 2001) - Ecological Solid Waste Management Act; and Republic Act No. 9275 (March 22, 2004) - Philippine Clean Water Act.

### LOGICAL FRAMEWORK (EMB)

## PERFORMANCE MEASURES AND TARGETS\*

(Amounts in Thousand Pesos)

FY 2007 FY 2008 FY 2009
